Theatre@41 Covid Company Guidelines - 23/07/21

Theatre@41 expects all hirers to take action to limit the spread of COVID-19 when in the building. The below guidelines mirror national guidance and are intended as a guide to safe working practice.

Please ensure all company members are briefed on the below guidelines when you begin working in the building.

Your responsibilities as a hirer:

- **If a member of your company has tested positive for COVID-19, is experiencing symptoms or has been in close contact with someone who has COVID-19, they should not come to the theatre.**

We recommend:

- All company members get vaccinated (if possible) and take regular lateral flow tests. We understand this is a personal choice, but we want to encourage it.
- If a member of your company tests positive for COVID-19 all company members take a PCR test at their earliest convenience.
- Where possible, open windows in rehearsal spaces.
- Company members wear masks when moving around indoors.
- Individuals from the company wash their hands thoroughly and use hand sanitisers provided.
- Surfaces and props are regularly cleaned.

Public facing staff and volunteers:

- In addition to the above, we strongly encourage all non-performing customer facing staff and volunteers to wear face masks during shows. You can find our published audience guidance on our website.
